

**GENERAL TERMS AND CONDITIONS
APPLICABLE TO FLUIDRA NORTH AMERICA DEALER INCENTIVE PROGRAMS**

1. These Fluidra General Terms and Conditions Applicable to Fluidra Dealer Incentive Programs apply to all Fluidra dealer incentive programs: Fluidra Rewards, Retail Select, ProEdge and ServicePro (each a "Program" and collectively "Programs") and together with any and all terms and conditions specific to each Program (collectively, the "Terms and Conditions") are an integral part of the applicable Program. These Terms and Conditions are available as www.fluidrapro.com/legal. Participation in the Programs is limited to businesses which strictly adhere to the Terms and Conditions. Fluidra North America ("Fluidra") reserves the right to add, modify or delete any of the terms, conditions, benefits, rewards, or reward levels pertaining to these Terms and Conditions at Fluidra's sole discretion without notice and makes no guarantees, warranties or representations of any kind concerning any Fluidra Dealer Incentive Programs.
2. The Programs are incentive and support programs solely for the benefit of its business members (each, a "Member"). To become a Member and participate, each corporate and non-corporate business must register online with Fluidra, opt-in to the applicable Program and consent to these Terms and Conditions, and then receive a membership number ("Membership").
3. Membership in the Programs allows the Member to be eligible for many benefits. For more information regarding Member benefits, please visit www.FluidraPro.com.
4. Initial and continued participation in the Programs is dependent upon each Member's representation that it has reviewed the terms of Fluidra's (i) Lowest Acceptable Advertised Price Policy (the "LAAP Policy"), (ii) Trade Series Exclusive Policy (the "TSE Policy") and (iii) Consumer Trade Select Policy (the "CTS Policy"). Please visit www.FluidraPro.com for a copy of these policies or contact a Program representative at 1-800-822-7933 for a copy of the policies to be mailed to you.
5. Member agrees to promote the Fluidra family of pool and spa products and to replace and repair Fluidra products only with factory original Fluidra parts and products. In exchange for this commitment, Member shall be entitled to participate in a Fluidra dealer incentive Program and be eligible to receive certain Program benefits.
6. Initial and continued participation in the Programs is limited to a Member who agrees to sell only original factory service parts for use in and with Fluidra products. Using parts produced by or obtained from another manufacturer (including counterfeit and knock-off parts) will not be covered by any Fluidra warranty if the failure is due to inauthentic parts and use could damage the products. Any sale, or offer for sale, of parts for use in Fluidra products which were produced by or obtained from another manufacturer (including counterfeit and knock-off parts) will result in the disqualification of that Member's participation in the Programs and the immediate loss of all Program benefits.

7. All products which qualify for Program points or cash rebates must be purchased for resale directly to a pool owner. No within-the-trade pass-along sales will qualify for points or cash rebates. Points and/or cash rebates will be revoked for products returned to distribution.
8. Points and/or cash rebates will be credited only to the account of the main office location. Reward orders may only be placed from and shipped to that location. It is the responsibility of Member to maintain up-to-date records with Fluidra.
9. It is Member's responsibility to notify Fluidra of the distributors they buy from. Members will earn points and/or cash rebates as purchase records from distributors are uploaded into Fluidra's computer system. Members must check with their local distributors to ensure that purchase records are supplied to Fluidra within 90 days of purchase. If you have any questions about the completeness of those records, please contact your local distributor(s). Fluidra is not responsible for any distributors' inability and/or unwillingness to provide purchase history.
10. Points and/or cash rebates can only be earned after you have received your membership number. No retroactive credit will be given.
11. Statements of account will be mailed and/or emailed to Members monthly. Statement errors must be reported within 30 days for reconciliation and proper adjustment. We may request a photocopy of the receipts in question. Fluidra will make best efforts to process all reconciliation requests within 60 days of receipt.
12. Fluidra has the right to monitor all Member account activity. If required by applicable law, Fluidra may freeze your Program account. If a Member has conducted any fraudulent activity, Fluidra reserves the right to take any necessary legal action and may have grounds to confiscate any rewards redeemed as a result of such activity. In addition, if a Member conducts fraudulent activity, it may be liable for monetary losses to Fluidra, including litigation costs and damages. A Member participating in fraudulent activity, as determined solely by Fluidra, will be disqualified from the Programs and will not be allowed to participate in the Programs in the future.
13. Fluidra reserves the right to disqualify any Member from further participation in the Programs if Fluidra, in its sole discretion, determines that a Member has violated any of the terms and conditions described herein. Disqualification may result in the termination of a membership, the loss of all accumulated points and/or cash rebates and a two (2) year disqualification from the Programs.
14. All rewards are subject to availability and are void where prohibited by applicable federal, state or local laws or regulations and are subject to change as may be necessary to comply with such laws or regulations. In consideration of Member's participation in the Programs, Member hereby releases Fluidra, their affiliates and any merchants participating in the Programs from all liability regarding redemption and use of the Programs, including any rewards that, after receipt, may be lost, stolen or destroyed. All participating merchants are in no way affiliated or responsible for Program administration.

15. Credit for points and/or cash rebates will only be given once per serial number, and all eligible points and/or cash rebates will be tracked by serial number to ensure compliance with the rules of the Program.
16. Points and/or cash rebates may not be pooled except for locations that are owned and registered together.
17. Points and/or cash rebates belong exclusively to the registered Member that accumulated them, whether an individual, sole proprietor or a corporation. If the registered Member is a business and the business is sold, transferred or conveyed, points and/or cash rebates cannot be transferred to the new business owner and/or resulting entity. Further, all accumulated points and/or cash rebates will be deemed void in the event of a change-in-control of Member.
18. Fluidra is not responsible for requests, correspondence relating to the Programs, or monthly statements, which are lost or delayed in the mail or otherwise in transit.

Fluidra, in its sole discretion, reserves the right to decline to fulfill any particular request.

To the extent permitted by applicable law, Member hereby waives any provision of law that renders any provision of these Terms and Conditions prohibited or unenforceable in any respect. Moreover, so far as is reasonable and possible, effect will be given to the intent manifested by the portion held invalid, illegal or unenforceable. It is further the intention of the parties that if any provision of these Terms and Conditions is capable of two constructions, one of which would render the provision invalid, illegal or unenforceable and the other of which would render the provision valid, legal or enforceable, then the provision will have the meaning that renders it valid, legal or enforceable.

By participating in any Program, each party expressly consents and agrees that the Terms and Conditions are governed by and construed under the laws of the State of California without regard to conflicts of laws provisions and any laws that would direct the application of another jurisdiction's laws. The sole jurisdiction and venue for actions related to the subject matter of the Terms and Conditions (or any prior terms and conditions) will be the state and U.S. federal courts in San Diego County, California. In consideration for the Member's participation in the Program, Member expressly consents to the jurisdiction of such courts.
